We have divided the list of Hotels in three parts. Those would be:

- *Hotels in Andheri, Marol. (This is where we are located, so you may want to check these out first)*

1) COLABA:

Colaba is the most visited tourist destination in Mumbai. This part of the city will amaze you with the old British architecture along with tall sky rise buildings. It's extremely common to see foreigners with a haversack on their back strolling around, or simply with a glass of beer in the very famous Leopold Café. So it's always advisable to stay in this part of the city while you are in Mumbai as there's a lot to see, visit and explore.

2) ANDHERI, MAROL EAST:

Andheri East is the place where our Mumbai Smiles office is located. Our projects are also all stationed in the same vicinity. What's even more amazing is that it is barely at a distance of 2km/ 1.2 miles, 10 minutes by car from the International Airport and 5 km/ 3 miles, 20 minutes by car from the Domestic airport.

So staying in Andheri, Marol would definitely be a smarter option.
